RETAIL CONSIGNEES FOR FSIS RECALL 006-2010

FSIS has reason to believe that the following retail location(s) received ready-to-eat varieties of Italian sausage products, including salami/salame, that have been recalled by Daniele International Inc. This list may not include all retail locations that have received the recalled product or may include retail locations that did not actually receive the recalled product. Therefore, it is important that you use the product-specific identification information, available at http://www.fsis.usda.gov/News_&_Events/Recall_006_2010_Products/index.asp, in addition to this list of retail stores, to check meat or poultry products in your possession to see if they have been recalled.
