RETAIL CONSIGNEES FOR FSIS PUBLIC HEALTH ALERT

FSIS has reason to believe that the following retail location(s) received raw boneless beef trim products imported from Canada that were the subject of an FSIS Public Health Alert. This list may not include all retail locations that have received the product or may include retail locations that did not actually receive the product. Therefore, it is important that you use the product-specific identification information, available at http://www.fsis.usda.gov/News_&_Events/NR_092012_01/index.asp, in addition to this list of retail stores, to check meat or poultry products in your possession to see if they are covered by the alert.
